The Illinois Lottery – Private Management Current Status

The Illinois Lottery and Camelot Illinois entered into a new 10-year private management agreement on Oct. 13, 2017. The agreement delivers key drivers of responsible growth and aligns the manager’s financial interests to the state’s, addressing key contractual weaknesses encountered in the Lottery’s prior private management arrangement.

The new private management agreement with Camelot is structured to accomplish the Lottery’s five key goals, which included responsible growth of the Lottery’s player base, aligned financial incentives, elimination of conflicts of interest, the introduction of new technology and innovation, and greater responsiveness to public needs and concerns.

In January 2018, Camelot replaced Northstar as private manager. The Lottery and Camelot are in the midst of a technology transition (full replacement of the gaming system, retailer terminals, vending machines, and iLottery website) that is anticipated to be completed in December 2018.

Check it Twice,” reminding players that when giving lottery tickets as gifts to double-check that the recipients are at least 18 years old.

The Illinois Lottery maintains membership and support of the Illinois Alliance on Problem Gambling, National Council on Problem Gambling, and the World Lottery Association. The Lottery’s commitment to responsible gaming also includes providing funds for the Gambling Hotline (1-800-GAMBLER).
