## **Explanation of Transfers by the Department of the Lottery**

### **Transfers to the Common School Fund**

The Illinois Department of the Lottery requests the Illinois Office of the Comptroller to make weekly transfers to the Common School Fund. Each Wednesday, following the sweeps from the lottery retailers accounts, funds are transferred from the State Lottery Fund to the Common School Fund.

The amount of the weekly transfer is based on the FY'09 actual weekly transfers adjusted for inflation. The rate of inflation used in calculating transfers to the Common School Fund is defined in administrative rules.

If the cash available in the State Lottery fund does not support the planned weekly transfer amount, transfer is made at amount affordable and shortfall made up in future weekly transfers as funds become available.

In January, the Department made 4 weekly transfers of \$12,376,750, for a monthly total of \$49,507,000 to the Common School Fund. At the end of January, the cash balance in the State Lottery Fund was \$99.8M. From this amount, \$29.8M of liability associated with the rolling jackpots for Mega Millions, Powerball and Lotto. The amount left after accounting for these reserves was \$70.0M. This amount stays in the fund and at the end of the year will be part of the annual transfer to the Capital Projects Fund. Please note: There may be expenses incurred and not paid that will reduce the \$70.0M.

### **Transfer to the Capital Projects Fund**

The Illinois Department of the Lottery requests the Illinois Office of the Comptroller to make one annual transfer to the Capital Projects Fund. On or before June 30 of the fiscal year, the Department estimates the net income available after transfers to Common School Fund and specialty ticket funds.

The transfer is made from the State Lottery Fund to the Capital Projects Fund through a non-appropriated line item.

**Report of Revenues, Prize Disbursements and Other Expenses for the  
Illinois Department of the Lottery  
For the Month Ending January 31, 2015**
