CASH POP™ tickets can be purchased in-store anywhere Illinois Lottery tickets are sold and also online at IllinoisLottery.com. Using a CASH POP playslip, players can purchase a ticket from Photon, Win30, Dreamtouch Smart (DTS), or GameStation machines:

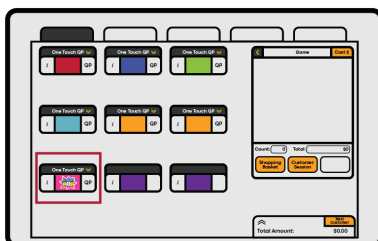

- Each number is a POP. Players pick the POPs they want to play from 1 to 15. They can also select “POP ALL” to play all 15 POPs, guaranteeing a prize.
- Players should then select their wager amount per POP: \$1, \$2, \$5, or \$10.
- Players then choose the number of consecutive drawings they want to play. They can select 1, 2, 3, 4, 5, 10, or 18.
- One CASH POP game is printed per ticket.
- Players can watch live drawings every hour (except during Night Mode hours of 1:30 AM - 8:30 AM CT) on Illinois Lottery TV monitors, or they can view results in-store or online.
- Players may check their tickets to see if they've won by visiting any Illinois Lottery retailer, online, or by using the Illinois Lottery app.
