	5 Plays PowerPlay \$15.00	

**B Game Information.** Details about the game, such as current jackpot, draw dates and times, and previous winning numbers.

**C Game.** The logo is a button that takes you to the manual menu for that game, where you can select options based on player preferences.

**E Shopping Basket.** This is where each game is itemized for the transaction. When this is turned on, it allows you to see the entire purchase before the transaction is complete. It also allows you to edit the transaction and communicate the price before purchase. When this is off, once you select and confirm a ticket, the ticket will print out immediately. **Once a ticket is printed it CANNOT be changed or cancelled.** It is recommended to keep the shopping basket on to double-check purchases.

**F Ticket Function.** A quick-access toolbar for validating and cancelling tickets that have already been purchased.

**Pay.** Validate any ticket by placing it in the tray. If there are results, they will be displayed on screen, then press Pay to payout the player.

**Cancellation.** Cancel a purchased draw ticket by placing it in the tray. If it can be cancelled, the screen will indicate it.

**Help.** An on-screen help guide for Online Games and equipment that can be accessed at any time by the retailer.

**G Next Customer.** This button cancels the current transaction, if there is one, and generates a new Shopping Basket.
