

**WE'RE MAKING A \$15 MILLION INVESTMENT IN YOU!**

2019 will see one of the biggest retail rollouts of new permanent point of sale equipment across the state. New and innovative equipment will enhance your store by greatly increasing the visibility of the Lottery. This is important real estate—Lottery is the premium counter brand in grocery, gas and convenience stores with annual sales of almost \$3 BILLION. We surveyed retailers at the recent Retailer Roadshows, and over 90% approved of the new equipment! Plus, we've already received an overwhelming amount of orders from enthusiastic retailers at the equipment training days.

## More Exciting Technology To Come

### Our field service team will need to revisit your store to:

- Replace your vending terminal with your new Win 30 terminal
- Install your new Carmannah jackpot board
- Install a customer display unit (For non-player advertising display retailers)

## Instant Games You Should Sell

## Responsible Play

March is Problem Gambling Awareness Month. Did you know that problem gambling:

- Impacts adults of all ages?
- Affects between 1–3% of adults in the U.S.?
- Often begins in adolescence for men and between ages 20–40 for women?

What are some behaviors that suggest a player may have a problem?

- Seems overly preoccupied with gambling;
- Appears restless and irritable;
- Rushes to purchase more tickets after losing; or
- Lies about his or her gambling.

If a player needs help, direct them to the 1-800-GAMBLER helpline for support.

## Helpful ADA Information

### Shelves and Maneuvering Space

The ADA requires businesses to take the steps necessary to effectively communicate with customers who have vision, hearing and speech disabilities.

- Stores must provide an accessible route to shelves and displays.
- A 36" wide accessible route is needed with slightly larger space around corners.
- If maneuvering space is too narrow, the space should be widened if readily achievable.
- Staff should be available to assist customers who may have difficulty reaching, viewing items.

For more information, call (800) 514-0301.
