COVID-19 RESOURCES

We want to express our great thanks and appreciation for our retailers who are continuing to provide essential goods and services to all of us here in Illinois. To protect the health and safety of Illinois at this time, we need all Illinois Lottery players to Be Smart, Play Smart.

The Retailer Updates page on the Illinois Lottery website (www.illinoislottery.com/retailer-updates) has many resources available to you during the COVID-19 crisis. This includes:

- *Letter from Illinois Lottery Acting Director Harold Mays*
- *Additional Information & Retailer FAQs*
- *COVID-19 Consumer Etiquette Signage – English/Spanish versions & Black/White versions*
- *Be Smart, Play Smart®: Protecting the Safety & Well-Being of Our Retailers – English & Spanish versions*

The Illinois Lottery is Here to Support Illinois

The Illinois Lottery exists to generate essential funding for K-12 education. We appreciate your support as we preserve this essential source of State revenue, which will be even more important to all communities across the State when we return to “normal life.” These games also offer a needed breather from the current day-to-day. We all need a small ray of light and spark of excitement in these tough times. **Illinois is Full of Winners!**

Please let us know if we can provide any further support as we look to ensure the health and safety of all individuals in-store by contacting the Retailer Hotline ([1-844-806-8930](tel:1-844-806-8930)) if you have additional questions.

LOTTERY CHANGES DUE TO COVID-19

Prize Claim Extension

The Illinois Lottery announced it is extending the timeframe in which winners can claim prizes during the COVID-19 crisis. For players with prizes that were set to expire between March 16 and May 31, 2020, the Lottery is extending the time allowed for players to claim those winning tickets through June 30, 2020. If you have players who are wondering if they have won, direct them to the Illinois Lottery website. Players can check to see if their draw-based game ticket is a winner on the results hub by selecting “View all results” for their game then finding the date of the applicable draw (<https://www.illinoislottery.com/results-hub>). Players can also contact the Player Hotline at 1-800-252-1775 to check their numbers by date. For instant tickets, players can visit www.illinoislottery.com/games-hub/instant-tickets.

The prize claim extension applies to all prize levels for all Illinois Lottery games. Currently, Lottery prize claim centers are closed to support Illinois Department of Public Health guidelines for social distancing. Please inform your players that they can fill out a claim form and follow the instructions for mail-in claims found at www.illinoislottery.com/winning/when-you-win. We appreciate your continued support of the Illinois Lottery.

New Game Rules for Mega Millions® and Powerball®

In response to changing consumer behavior due to COVID-19, nationwide changes have been made to the Mega Millions and Powerball starting jackpot amounts and minimum jackpot roll increases. The new starting jackpot amounts will be determined and announced prior to each Mega Millions and Powerball drawing. Previously, each game had a starting jackpot amount of \$40 million. The amounts by which the jackpots will increase between drawings for both Mega Millions and Powerball will be established based on each game’s sales and interest rates with no set fixed minimum amounts. Previously, the minimum increase between drawings for Mega Millions and Powerball was \$5 million and \$10 million, respectively.

 **Be Smart, Play Smart®** Must be 18 or older to play.
